COMMITTEE ON APPROPRIATIONS
WASHINGTON, D.C. 20510

Attached 82-5365

February 4, 1983

The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D. C. 20505

Dear Director Casey:

This is to inform you of a recent security upgrade which will greatly increase the protection of our intelligence and intelligence related information. As recommended in your letter of July 9, 1982, we have completed modification of a vault-type room for the storage of this material.

Because the Committee still lacks secure communications, however, I request the installation of a secure phone system at the earliest possible time. Specifics on the telephone type and location can be worked at the staff level with Susan Shekmar on 224-7206. This telephone will enhance Committee security and facilitate the timely exchange of information required during the appropriations process.

I appreciate the continued support of the Intelligence Community and its efforts to provide the best possible protection of the Committee's classified information.

With best wishes,

Cordially,

TED STEVENS
Chairman
Subcommittee on Defense
